The menu appears on the left-hand side. Please click on the „Manage” icon.

Add New Treatment

After clicking on the „Manage” icon, you find the list of treatments which are already added to your profile which can be also edited by clicking on the „Edit” icon in the action column on the right-hand side.

By choosing the „Add treatment” icon you can start the process to add new treatment to your profile.

The screenshot displays the medme user interface. On the left is a sidebar with navigation links: Notifications, Messages, My documents, Profile, and Manage (highlighted in purple). The main content area is titled 'Treatments' and includes a tab for 'Locations'. Below the tabs is a filter dropdown set to 'All Specialization' and a search bar labeled 'Search in treatments'. A blue 'ADD TREATMENT' button is located to the right of the search bar. Below these elements is a table with the following columns: NAME, SPECIALIZATION, LOCATION, TRANSLATIONS, and ACTIONS.

NAME	SPECIALIZATION	LOCATION	TRANSLATIONS	ACTIONS
Trial	Plastic surgery Rhinoplasty	Trial	en	 

At the top right of the interface, there are links for TRIAL DOCTOR, NOTIFICATIONS (with a badge showing 5), EN / EUR, LOGOUT, and HELP.

Add New Treatment

SAVE

After clicking on the Add treatment icon, you have to fill out the form regarding the treatment you wish to add.

It is really important to choose the accurate Language you may commercialize it or them.

After saving the Treatment, you can make some specification. Please choose to which Specification your newly added treatment belongs. You can also decide on which Location you want to commercialize and for what price. Below on the site you may also add photos for the treatment.
