There are 3 ways to register on MedMe:

- As a Patient
- As a Doctor
- As a Clinic

Use your social network site profile to accelerate the registration process by logging into your SNS profile through the pop-up modal or fill out the requested informations.

By providing a Referral ID during the registration process, you can connect your profile to an already existing one. Later you can also use your Referral ID in order to enlarge your network by inviting more Patient, Doctor or even Clinic

As a Patient clicking on „Sign Up” icon, you reach basically the end of the registration process. As soon as you have validated your registration through the link sent in the confirmation email, you will be able to log in and book a treatment which meets your needs.
